

Dear Parents and Teens,

This email should help you with final details on the 2019 Rocky Mountain Baptist Youth Conference.

WHAT TO BRING

Clothing - Please see the online packing list and be prepared for adverse weather! The YMCA sits at 9000' elevation. Teens should have adequate layers in case the "Bomb Cyclone" returns! 😊 Dress is modest casual. Your teens may change into nicer clothing for the services if they wish. www.rmbyc.org/files

Tic-Tac-Challenge - Also see the online list for the Thursday night game. Teens will need these items after the evening service to help their team win the challenge. Please prepare your young people by encouraging them to pack for this activity. www.rmbyc.org/files

Cell Phones – Please be aware that we do have one activity involving cell phones. On Friday evening we have a special pizza party planned for juniors and seniors. We will allow them to compete in the competition as individuals with their own phones or as a group using your cell phone. Although service may be limited for some carriers, guest Wi-Fi is available throughout the YMCA property. Beyond this, we are asking teens to avoid playing music or videos on portable electronic devices during the conference. I want them to focus on God and fellowship with others up at the conference.

Spending money – This year conference t-shirts are included, but our teens may want additional cash for the following activities: climbing wall (\$10 hour), craft shop (\$10-15 most projects) or the gift shop.

Final payment – If your teen has not yet paid the entire conference fee of \$165, please have them bring the remaining balance with them. Checks should be made out to Tri-City Baptist.

TRAVEL

Teens need to be at Tri-City with their luggage no later than 3:45pm. We will drive directly to Estes Park and eat supper at the YMCA. All of their meals are provided through Saturday lunch. We should arrive back at Tri-City by 3pm on Sat, Apr 6.

After checking in we will move into our rooms, eat supper (5-7:30pm) and enjoy free time activities such as open gym, game room, mini golf, etc.

CONTACT INFO

For emergencies, please contact either Nathan Steadman (720-722-6877) or Ruth Simon (303-915-5887).

Please be in prayer for our teens throughout the conference. Don't hesitate to contact me with any questions you have.

Looking Up,

Pastor Nathan Steadman
