

Speaker Memo - RMBYC 2019

Dear Speaker,

This communication should help you with final speaking details on the 2019 Rocky Mountain Baptist Youth Conference.

Translation – Please plan to use the *King James Version* of the Bible for all public speaking during the conference. This will provide consistency and avoid offending the consciences of some of our churches.

Length - We have scheduled 45 minutes for general session speakers and 40 minutes for workshop speakers. Please be considerate of our time constraints as you minister with us.

Invitations – A brief invitation may be given by the speaker or MC at the close of a general session. Sponsors and volunteers will be ready to counsel. Counseling space is available below Hyde Chapel.

Media – General session speakers needing PowerPoint should bring their presentations on a thumb drive. Other workshop speakers should plan to bring their own laptops. Connection is VGA or HDMI. Please bring adapters if you do not have these ports.

Locations – Visit this link for workshop locations/times. All general sessions will take place in Hyde Chapel. https://www.rmbyc.org/uploads/1/6/2/2/16223346/workshops_rmbyc19.pdf

Questions - Please contact either Nathan Steadman (720-722-6877) or Ruth Simon (303-915-5887).

Thank you for coming and ministering the Word of God at the 2019 Youth Conference!

Looking Up,

Nathan Steadman
